

FAMILY AND COMMUNITY ENGAGEMENT PLAN 2024/2025

Catch Them Being Great

Directions: Share the specific steps or actions taken to achieve the accolade/ recognition.

Reason for recognition:

Sunrise Middle School P.R.I.D.E.'s itself on recognizing faculty and staff demonstrating positive behaviors. During the SY2021 - 22, we noticed that due to the lack of face-to-face instruction and being in a physical school environment due to the COVID-19 Pandemic, students were exhibit poor behaviors patterns in various environments around the school. Our faculty and staff worked diligently to create an academic environment that promoted positivity, respect, integrity, determination, and excellence. Our principal Mr. Ryan Atwood thought such individuals deserved to be recognized publicly, so he started acknowledging them in his weekly email reminders. We saw great success with this initiative and therefore, we have decided to continue the initiative for the 2024-2025 school year.

Actions taken to achieve the accolade/ recognition.
