

## FAMILY AND COMMUNITY ENGAGEMENT PLAN 2024/2025

### **Cultural Awareness**

Broward Schools serves students and families from various countries and cultures. Identify school practices that demonstrate how the values and traditions of the diverse community are incorporated in your school's culture. (ex. serving dishes from a particular culture during school events; acknowledging traditions and holidays; communications and signage in different languages, etc.)

#### **Culture:**

Promote a multi-ethnic and inclusive learning environment.

#### **How is the school acknowledging this culture?**

Sunrise Middle School promotes a multi-ethnic and inclusive learning environment through multi-language signage/publications (English, Spanish, Haitian-Creole) throughout the school, acknowledging monthly cultural observances, celebrations (identifying all traditions and holidays), and social initiatives designated by district, state, and federal government.
