

FAMILY AND COMMUNITY ENGAGEMENT PLAN 2024/2025

Cultural Awareness

Broward Schools serves students and families from various countries and cultures. Identify school practices that demonstrate how the values and traditions of the diverse community are incorporated in your school's culture. (ex. serving dishes from a particular culture during school events; acknowledging traditions and holidays; communications and signage in different languages, etc.)

Culture:

Mirror Lake Elementary Magnet School continuously works to celebrate and value all cultures.

How is the school acknowledging this culture?

Throughout the school year, MLE acknowledges and celebrates culture and diversity through a variety of initiatives that foster inclusivity, respect, and understanding among students, staff, and the community. MLE incorporates books and stories from different cultures and perspectives in daily instruction. Multicultural days and events are showcased throughout the school year.

Events focus on but are not limited to, Black History, Hispanic Heritage, Asian New Year.

Community stakeholders are always welcomed to attend all of the events and showcases.
