

## **2024- 2025 School-Wide Equity and Prevention Plan**

Equitable schools provide all students with a safe and supportive environment that enables them to reach their highest potential. The climate, process, and content ensure successful outcomes by providing appropriate resources, employing culturally competent strategies, and eliminating barriers to opportunity. The equitable school:

- Has a clear mission committed to optimizing opportunities for all students, regardless of age, color, disability, neurodivergence, expression, genetic information, marital status, national origin, language ability, race, religion, sex, or orientation;
- Provides a welcoming and positive environment where visual displays and supplemental materials present diversity in inclusive, non-stigmatizing, and affirming ways; and
- Works in partnership with parents, guardians, and caregivers, and the community at large to provide consistent support for all students, to enrich the experiences of students, and lead to improved and enhanced student outcomes.

According to the Diversity Committee Policy, the School Board of Broward County believes “that educational equity should be promoted to ensure equitable opportunities and resources to meet the needs of all students.” To facilitate this vision, each school principal is tasked, as part of the Anti-Bullying Policy, with designating a liaison to act as the Equity, Diversity, and School Climate Department contact and disseminator of prevention related resources. The Equity & Prevention Liaison collaborates with their site’s administration to:

- Facilitate the completion of an audit and use that information, with other relevant data, to construct SMART goals and an action plan;
- Operationalize the plan of action by identifying and using data-aligned, appropriate district resources that support diversity, wellness, substance use prevention, and violence prevention; and
- Monitor their site’s progress by reporting on and updating the plan as necessary.

As part of the school’s School Improvement Plan, the Equity & Prevention Liaison will submit their site’s School-Wide Equity and Prevention Plan.

The plan consists of two sections: the audit, and the goals and action plan. Both sections must be uploaded as a single PDF to BCPS Central and should be updated as necessary following all SAC procedures and applicable district policies.

## Part 1- School-Wide Audit

Using the questions below, the Equity and Prevention Liaison will facilitate the completion of a comprehensive audit. Only the members of the site Equity and Prevention Team are asked to participate with the completion of the audit. The Equity and Prevention Team should consist of the Equity and Prevention Liaison and the site Principal/ Director, and a representative from the following groups: Guidance, Exceptional Student Education (such as the Inclusion Champion or Behavior Specialist), PBIS Contact, RTI Contact, and Academics (such as a Literacy, Math, or Science Coach or Curriculum Leader). SAVE Promise Champions, Mentoring Coordinators or Site Directors, Peer Counseling Teachers, or Human Relations Council Advisors can also be invited to participate as members of the Equity and Prevention Team.

After reviewing each section, go item by item deciding if “yes” this occurs at your site or “no” this does not occur at your site. For an item to be “yes” the practice must be done consistently, across multiple spaces on your campus. On the final audit, there should be no tally marks or counts for yes or no. The final audit should indicate the consensus, either a yes or no for each item. Remember the audit is non-evaluative; it is meant to open discussions about equity and prevention.

<b>Reflection</b>		
After reviewing the items in this section, identify one (1) area indicated as a “no” that can be addressed in the site’s plan of action for this year. What needs to happen to make this item a “yes”? What potential obstacles exist? What potential resources are needed? What structures are already in place to make this change happen? Please address all elements in your written response in the space below.		
Suggestions to make (5.) a yes is to include discussions in faculty meetings focused on community concerns. PLC’s also focused on cultural competency, training staff in cultural awareness. Gathering feedback from families and the community through surveys or guest speakers will help the school understand real needs. ## **Part 2- Goals and Action Plan**

In collaboration with the leadership team, review the results of the audit, focusing on areas for growth. Evaluate the audit findings using applicable data, and complete the template. For the submitted plan to be evaluated as complete the plan must have: three (3) SMART goals, action steps, a plan for monitoring and evaluating progress, and aligned data. The focus of these goals should be affective and behavioral engagement. The SMART goals must be properly formatted, action steps aligned to the properly formatted goals, and the plan for monitoring and evaluation must be progressive and aligned to data. If you need support with constructing acceptable goals, please contact your zone's assigned Equity & Prevention Advisor or the Diversity Team via email to [DiversityTeam@browardschools.com](mailto:DiversityTeam@browardschools.com).

## Goals and Action Plan Template\*

Develop and record SMART goals and action steps based on information from the audit to support three areas of focus: Student Learning and Achievement, Student Behavior and Discipline, and Student Engagement.

All goals and action steps should support and improve equitable practices while promoting student achievement. Please use the District Attendance Dashboard, BCPS Customer and Climate Survey Dashboard, and FAST PM Performance and Participation Dashboard available on the [Research, Evaluation, and Accountability Sharepoint](#), as well as data sets available in the SIS to construct your SMART goals.

For support, please reach out to your Equity & Prevention Advisor or the Diversity Team via email to [DiversityTeam@browardschools.com](mailto:DiversityTeam@browardschools.com).
