

## FAMILY AND COMMUNITY ENGAGEMENT PLAN 2024/2025

### Cultural Awareness

Broward Schools serves students and families from various countries and cultures. Identify school practices that demonstrate how the values and traditions of the diverse community are incorporated in your school's culture. (ex. serving dishes from a particular culture during school events; acknowledging traditions and holidays; communications and signage in different languages, etc.)

#### **Culture:**

Black/Multicultural History

#### **How is the school acknowledging this culture?**

As part of our Black/Multicultural History Month activities, we asked students to decorate Music Notes to represent their cultural heritage.

Copies for each student were sent home.

Students were encouraged to participate in creating an original with their design. Directions: "Design a Music Note that represents your heritage. Be Creative! You may need to do some research; this can be done through talking to your relatives or looking online. You may include the flag, national colors, national costume, traditions and foods." Music Notes were displayed in the Media Center, Cafeteria, and Front Office.
