### Description

Hollywood Hills Elementary School has increased Over the last three years, Hollywood Hills Elementary has made many notable achievements. A sample of these achievements include receiving the Golden School Award, achieving a School Grade of "A" as rated by the Florida Department of Education in 2025 and 2024, and a grade of "B" in 2022, 2021, and 2019. School grades were not awarded in 2020 due to the Covid Pandemic. In addition to the numerous achievements Hollywood Hills has accomplished, the school has also secured funding of several grants. These grants include the Achieving Excellence in Education City of Hollywood, Broward Education Foundation, and Target Grant. These grants have been utilized in several areas of the school. Hollywood Hills Elementary has also raised funds for Honor Flights for Veterans to travel to Washington D. C. to honor American Veterans for their sacrifice so that they may visit memorials. Community service projects include a Hurricane Relief drive to help the Bahamas, Homeless Supplies Drive, Recycling Program within the school, collections of books for new mothers at Memorial Regional Hospital, Earth Day tree planting, and a Harvest Food Drive to benefit needy families. Additionally, Hollywood Hills Elementary is focused on improving our Response to Intervention (RtI) so that we can more effectively monitor struggling students. The RtI program has been fine-tuned, and the monitoring process has been structured to ensure that all students are receiving individualized and remedial instruction, when needed. We have a resource teacher who works with small groups and focuses on the individualized needs of our students-specifically those in the lowest performing quartile of students. Student progress is also tracked very closely using data chats with each individual teacher and with students throughout the year. These chats provide opportunities for teacher and student self-reflection, data analysis, and goal setting. School and Grade Level Data Analysis, Professional Development, and Best Practices are incorporated into our monthly Professional Learning Communities allowing teachers and instructional staff to continuously focus on maximizing instruction for our students. As a result, Hollywood Hills Elementary has continuously focused on increasing effective individualized instruction and raising students' mastery scores on grade-level assessments.

## Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Hollywood Hills Elementary School is committed to providing all students with a quality education that enables them to reach their maximum potential in a safe and nurturing learning environment. The goal at Hollywood Hills Elementary is to provide a challenging curriculum that will allow all students to develop in multiple areas. By incorporating technology and authentically engaging work based on high standards for our students, we are preparing our students to be College and Career Ready and 21st Century learners. Hollywood Hills Elementary works together with parents, students, community members, and teachers to provide the level of support that is necessary for all students. This partnership is crucial in raising student achievement and providing everything that is needed for students to be able to achieve their fullest potential. Hollywood Hills Elementary provides students with a rigorous curriculum that is engaging and diverse. Our - D1/D2/D3/D4/D5 program offered in 1st - 5th grade allows students access to various electronic resources using personal laptops. This technology enhances and brings engaging and mentally stimulating 21st Century learning into the classroom expanding learning opportunities in ways traditional methods do not. Currently, teachers and students use multiple online learning platforms provided by the district to effectively integrate technology into their everyday learning. These programs use the gradual release model for instruction to assist students in taking ownership of their learning and allowing them to reach higher potential.

Hollywood Hills Elementary School's goal is that all students master the state standards in all subject areas. Our curriculum for core subject areas is carefully selected by the county, and teachers use supplemental materials to meet the individual needs of all our students. Intervention and Enrichment programs and lessons are provided to best meet the needs of the individual student. The practices and program offerings at Hollywood Hills Elementary support our mission and beliefs. Formative and summative assessments are analyzed in grade level data teams to plan for instruction and provide differentiated instruction. Each grade level meets for monthly Professional Learning Communities where teachers plan their instruction using data analysis to evaluate student mastery on each of the Florida Standards. All teachers have received professional development in new curriculum for Benchmark Advance, EnVision Math, and writing with a focus on text-based writing across the content areas. Hollywood Hills Elementary continuously uses data to reflect and make informed decisions in our goal to increase student achievement. Hollywood Hills Elementary believes that a strong parent-school connection is crucial to the success of each student. Parents receive weekly parent links with important class and school information. The school website and PTA website also offer a wealth of information for parents to stay connected. The school initiates a variety of activities, programs, and events throughout the year to ensure that parents have an opportunity to become actively involved in the school. Some of the many school-wide activities include parent/teacher conferences, Character Parade, Book Fairs, Family Fun Nights, Honor Roll Assemblies, Reading Across Broward Award Recognition Assemblies, Curriculum Night, Showcase of Success, School Drama Performance, PTA meetings and events, SAC Meetings, Technology Q & A sessions, and more.
