hazel Telehealth in partnership with families from the comfort of home or school

Health is everyone's responsibility. Hazel Health knows a student's health is their first teacher. Our telehealth services provide your students with a safe and accessible way to get help when they need it. They'll stay at home and feel better. We'll be there to support them every step of the way.

Your students will never receive care without your consent. We'll never share your information.

Personal information: Care with your family. Visit from home. Hazel Health is a secure, HIPAA-compliant telehealth platform. We'll never share your information.

Cost: Hazel Health is a free service. We'll never charge you anything. Hazel Health is a free service. We'll never charge you anything.

2026 BCPS Parent Survey

An effort to improve student outcomes, Brentwood County Public Schools is conducting a survey to gather the input and expertise of all school and district staff and the community.
