

Executive Summary for Margate STEM Magnet Middle School

The Executive Summary (ES) provides the school an opportunity to describe in narrative form its vision as well as strengths and challenges within the context of continuous improvement. Use this template to complete the responses to the various questions below. The responses should be brief, descriptive, and appropriate for the specific section.

Description

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Margate STEM Magnet Middle School serves as the middle school for the city of Margate and neighboring cities across Broward County, acting as a School of Choice for its comprehensive STEM magnet program. With a uniquely diverse staff, 802 students from diverse racial and cultural backgrounds. Margate Middle is home to 496 Black students, 221 Hispanic students, 48 White students, 22 Multiracial students, 10 Asian students, and 2 Native American students. Margate is a Project-Based Learning (PBL) school, where students explore inquiry-based, real-world projects to enhance learning and build character. Students also participate in STEM learning and activities through their classes and electives. These projects are showcased to our stakeholders during our semester STEM/PBL nights.

Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Vision

Be the best that you can be at everything you try.
