

# PBES MAGICAL KINGDOM

2025-2026

OUR VISION: To improve the academic outcomes of students and strengthen family engagement efforts in the home, school and community through support of families and schools.

## Bonding Through Literacy

### 1. Make story time with your child a routine.

Just before supper; right after bath; a bedtime ritual; whatever works with your family schedule. Children thrive on routine, and they're going to love this one.

### 2. Read with the children, not just to them.

This may mean running your finger under the words as you say them, entering into the spirit of the story, reading with expression and enthusiasm, and seeing how much fun reading can be because dad loves it too!

### 3. Make reading an interactive experience.

Ask questions as you go, such as, "What do you think happens next," "Remind me what happened back on that last page," and "Let's read this sentence out loud together."

### 4. Be an active reader yourself.

Sometimes when the children are reading their book, you can be reading one of your own. Share what's going on in your story and ask what's going on in theirs.

### 5. Subscribe to an age-appropriate magazine in your child's name.

It's fun to get something in the mail, and it's always fresh material.

## PLEDGE

As a father, stepfather, grandfather, uncle, brother, foster father, or significant male role model, I **pledge to:**

Support my child's teacher and school in providing a high-quality education and ensuring that education remains a priority in my household.

Set high expectations for my child's educational success.

Stay informed about my child's academic and behavioral progress.

Volunteer at my child's school throughout the year when possible.

Encourage my child to do his/her best every day.

Recommended Resources for Completion To complete and maintain this tool, schools can leverage:

- School-based staff (e.g., community liaisons, school social workers, school counselors)
- FACE Division support and templates
- Local government directories and nonprofit coalitions
- Partnerships with trusted community organizations and faith-based groups
- Broward Schools' internal referral systems and professional learning communities
