**EVERY CHILD A SWIMMER**

**What are the benefits of learning to swim?**

1. Improves a child's confidence and self-esteem.
2. Improves a child's physical fitness, endurance, lung capacity, respiratory strength, and cardiovascular health.
3. Most importantly, learning to swim can save a life. Learning to swim as a young age decreases the risk of drowning and increases a child's survival.

100% of swim lessons start are covered by qualified families.

1.5 million backyard pools in the U.S. in addition to tens of thousands of public pools and water facilities.

88% swim lessons reduce the risk of drowning by 88%.

**WORKING TOGETHER TO MAKE CHILDREN SAFE SWIMMERS**

**WHY...**

- The Every Child A Swimmer program provides life-saving swim lessons to children 4 to 8 years of age.
- Every child in Broward County has access to safe swim lessons in an emergency CAC report for every 2 hours.
- Most importantly, if a child is injured by a non-fatal drowning.

**THE IMPACT OF SWIMMING**

- The Every Child A Swimmer program provides life-saving swim lessons to children 4 to 8 years of age.
- Every child in Broward County has access to safe swim lessons in an emergency CAC report for every 2 hours.
- Most importantly, if a child is injured by a non-fatal drowning.

The Every Child A Swimmer program believes that by working together to improve water competency - which includes swimming skills, water safety knowledge and helping others, water activities can be safer and just as much fun.

TOGETHER WE CAN MAKE A DIFFERENCE!
