

Family and Community Engagement Plan 2025/2026 - Catch Them Being Great

Reason for Recognition:

We follow the eight essential core traits from the district's Kids of Character which are:

- Cooperation
- Responsibility
- Citizenship
- Kindness
- Respect
- Honesty
- Self-control
- Tolerance

We also have a school-wide positive behavior management plan called S.P.A.C.E.:

- Safe
- Pay attention
- Act respectfully
- Communicate
- Engage with your surroundings

The reason for recognition is good behavior. Lastly, we celebrate our teachers during Teachers Instructional Highlights.

Actions Taken to Achieve the Accolade/Recognition:

For the Kids of Character, students are recognized during our monthly assemblies. Award recipients

receive a certificate and edible/non-edible treats.

For our S.P.A.C.E. program, on Friday's, the behavior coach visits each class with a cart of goodies. Students use the money they earned throughout the week to select their favorite items based on the value of the items. It pays to be good!

For Teachers Instructional Highlights, during observations, teachers are recorded and photographed implementing highly effective instructional strategies. These highlights are shared during faculty meetings and featured weekly in the principal's newsletter.
