School Name: School Number:
WILLIAM DANDY N 1071

**Number of Team Members:** 

Principal Name:

**NICHELE WILLIAM** 

## **SAM Scoring Sheet**

Broward County Public Schools SAM Scoring Sheet

Date of Completion: 8/20/25

MTSS Coordinator(s):
L.MCINTYRE-OLIVER

MTSS Coodinator(s) Email address (only one)

LASHONNE.OLIVER@BROW

## THIS SCORING SHEET HAS ABBREVIATED LANGUAGE AND SHOULD ONLY BE USED TO RECORD AND DISPLAY RESPONSES

2. A leadership team is established 3. The leadership team actively engages in ongoing professional development 3. O. 1 2 3 3. The leadership team actively engages in ongoing professional development 3. O. 1 2 3 5. The leadership team is actively facilitating implementation 3. Fating 0-3 5. The leadership team is actively facilitating implementation 4. Example 1. Consider the consideration of the consider	Rate each item on a scale from 0-3 (0 = Not Started; 1 = Emerging/Developing; 2 = Operation	nalizing; .	3 = 0	Optir	nizir	າg)	
2. A leadership team is established 3. The leadership team actively engages in ongoing professional development 3. O. 1 2 3 3. The leadership team actively engages in ongoing professional development 3. O. 1 2 3 5. The leadership team is actively facilitating implementation 3. Fating 0-3 5. The leadership team is actively facilitating implementation 4. Example 1. Consider the consideration of the consider	1. Leadership Domain (Items 1-5)		F	Rating 0-3			
3. The leadership team actively engages in ongoing professional development 3. A. A strategic plan for MTSS implementation is developed 3. The leadership team is actively facilitating implementation 3. The deadership team is actively facilitating implementation 4. A strategic plan for MTSS implementation of the critical elements of MTSS are defined and understood 5. The critical elements of MTSS are defined and understood 7. Professional development and coaching provided to staff 8. The leadership team facilitates PD on data-based problem-solving 9. The leadership team facilitates PD on multi-tiered instruction and intervention 10. Coaching is used to support MTSS implementation 11. Schedules provide adequate time for training and coaching 11. Schedules provide adequate time for multiple tiers of instruction/interventions 13. Schedules provide adequate time for multiple tiers of instruction/interventions 13. Schedules provide adequate time for data-based problem-solving 14. Schedules provide adequate time for data-based problem-solving 15. Processes, procedures, and decision-rules are established for DBPS 16. Resources to support MTSS implementation are identified and allocated 17. Staff have consensus and engage in MTSS Implementation 18. Staff are provided data on MTSS fidelity and student outcomes 19. The infrastructure exists to support family and community engagement 20. Educators actively engage families in MTSS 20. Educators actively engage families in MTSS 21. DBPS for student outcomes occurs across content areas, grade levels, and tiers 22. Scheduler progress specific to academic or behavior goals are monitored 23. Data are used to identify 'regar' between expected and current outcomes 24. Plans based on verified reasons why students are not meeting expectations 25. Student progress specific to academic or behavior goals are monitored 27. Data are used to address performance across diverse group 28. Resources for implementation of MTSS are addressed through data-based problem-solving 29. Instruction at	1.
