

Executive Summary for School Name

The Executive Summary (ES) provides the school an opportunity to describe in narrative form its vision as well as strengths and challenges within the context of continuous improvement. Use this template to complete the responses to the various questions below. The responses should be brief, descriptive, and appropriate for the specific section.

Description

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Coral Springs High School has a current enrollment of 2,049 students with 48% male and 52% female. There has been a steady decrease in enrollment for the last three years due to transportation issues for reassignment student and school choice. The school's current demographic is: white student population is at 40%, the black student population is at 53%, and the Asian student population is at 5%. The current population of ESE students is at 18.4% and ELL students is at 10%.

Coral Springs High School brings various innovative courses through our CTE and Cambridge programs. There are neighboring schools that have similar courses and programs and can be a challenge to maintain our enrollment.

Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Vision Statement: Meeting students where they are and equipping them to become innovators in tomorrow's world.

Mission Statement: Coral Springs High School is dedicated to fostering academic success for every student through inclusive and high-quality education.

Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Coral Springs High School has increased academic achievement for the last three years. Our grades have gone from a C in 2022-2023 to a B in 2023-2024 to an A in 2024-2025. Coral Springs High School has increased the learning gains and passing rates each year. The Acceleration rate has increased to an 81% and Graduation rate increased to a 98% in 2024-2025.

Coral Springs High School has the following innovative programs: Cambridge International, various Career and Technical Education courses, Dual Enrollment, Advanced Placement courses, EMT and Principles of Aero Technology.

The Literacy Coach and Support Facilitators support the Tier 2 and 3 students in the classroom and during Study Halls. ELL students that are a level 1 are clustered in their academic classes and supported with a bi-lingual teacher assistant.

Continued focus is on checking for understanding and differentiation instruction in the classroom.

Additional Information

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

(Type responses using complete sentences, spellcheck, and grammar check. 6000-character limit.)
