Top 10 Reasons Your Child Should Be in School every Day!

Info for Elementary Parents

Elementary-aged children are consistently absorbing new knowledge and developing new skills and regular school attendance is crucial for their success. Here are the top 10 reasons your child should be in school every day.

- Better academic performance**
According to research, missing just two days per month negatively impacts a student's academic performance and test scores.
- Greater social development**
Elementary students develop social and emotional...
