ACTIVITY	STANDARD	DESCRIPTION
Manatee Mood Check-In	Students will recognize, identify, and appropriately express basic emotions in themselves and others.	Provides students with opportunities to identify and communicate how they are feeling. Teachers use an age-appropriate emotion scale or visual during morning meetings or class check-ins. Students identify their current emotion and discuss healthy ways to express their feelings. This activity builds emotional awareness, empathy, and communication skills.
Take a Manatee Minute	LSW A. Students will recognize, identify, and appropriately express basic emotions in themselves and others.	Teaching students simple strategies they can use when they feel frustrated, overwhelmed, angry, or distracted. Students practice techniques such as deep breathing, counting, positive self-talk, stretching, or taking a brief quiet break. Teachers reinforce these strategies throughout the school day to help students self-regulate and return to learning.
Wellness Wednesday	LSW B. Students will demonstrate the ability to manage emotions and behaviors to achieve personal and academic goals.	Provides students with a brief weekly opportunity to practice a wellness strategy. Activities may include mindful breathing, stretching, positive affirmations, gratitude reflections, movement breaks, or goal setting. These activities help students develop healthy habits that support their emotional well-being and academic success.
Manatees Work Together	LSW C. Students will engage in positive social interactions and demonstrate respectful and cooperative behaviors.	uses short classroom challenges and cooperative activities to strengthen teamwork. Students practice listening, taking turns, sharing responsibilities, solving
