

MTSS Action Plan

Complete the MTSS Action Plan below with your school's Leadership Team using the Self-Assessment of Multi-Tiered System of Supports (SAM) rubric and your school's SAM Report.

School Name: **Hollywood Central Preparatory K-8** **School Year:** **2026 - 2027**

Principal: **Jennifer Williams O'Neal**

MTSS Coordinator: **Kristi Saunig & Michelle Bonsanti**

Domain: **Building the Capacity and Infrastructure for Implementation**

Current domain average:	2.0
Expected domain average:	3.0
Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	Schedules provided adequate time for multiple tiers of instruction/intervention.
Use the SAM rubric to briefly describe action steps the Leadership Team will take to enhance implementation and improve outcomes.	The Leadership Team will review and adjust the daily schedule to protect time within the intervention block for targeted small-group instruction. The team will support teachers in using student data to plan interventions, monitor implementation through walkthroughs, and regularly review student progress to adjust groups and supports.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By May 2027, at least 70% of students receiving targeted instruction during the intervention block will meet their individual reading and/or math growth targets, as measured by progress-monitoring assessments and FAST/STAR results. The Leadership Team will review data monthly to monitor progress and adjust interventions.
List the team members who will support and monitor implementation of the two (2) identified elements.	Kristi Saunig and Michelle Bonsanti

Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	Staff have consensus and engage in MTSS Implementation
Use the SAM rubric to briefly describe action steps the team will take to enhance implementation and improve outcomes.	The Leadership Team will build staff consensus by reviewing the purpose of MTSS, gathering staff input, and establishing clear roles and shared expectations. The team will protect intervention time, provide ongoing training and collaborative planning opportunities, and involve staff in reviewing student progress to adjust supports and improve outcomes.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By May 2027, at least 70% of students receiving MTSS interventions will meet their individual reading and/or math growth targets through consistent staff implementation of agreed-upon supports. Evidence will include intervention progress-monitoring data reviewed monthly and FAST/STAR assessment results.
