Vision Statement

The school counseling vision statement communicates what school counselors hope to see for students five to 15 years in the future. It aligns with the school and district vision.

The school counseling vision statement:

- Describes the future world where student outcomes are successfully achieved.
- Portrays a rich and textual picture of success, providing a full image of what students become.
- States the best possible student outcomes that are five to 15 years away

Riverland Elementary School Counselor will support students by addressing their academic, emotional, personal, and social needs. The School Counselor will help students develop the skills necessary for lifelong career success and connect them with their community. Furthermore, the School Counselor will ensure that each student has access to the resources and support needed for growth, opportunities, and excellence. The School Counselor overall
