Dear Parents & Guardians,

We are excited to offer our Mobile School Pantry (MSP) Program to your family.

Mobile School Pantry is a free monthly client-choice pantry available to all families with students enrolled at the school who are experiencing food insecurity or could use extra support with groceries. Each month, families can select from a variety of nutritious foods, including fresh fruits and vegetables, pantry staples, bread, and other grocery items—at no cost.

Getting started is easy:

- Scan the QR code to complete your one-time registration.
- RSVP by text each month to confirm your attendance.
- Bring reusable bags or a wagon to carry your groceries home.

We look forward to supporting your family throughout the school year!
