

### MTSS Action Plan

Complete the MTSS Action Plan below with your school's Leadership Team using the Self-Assessment of Multi-Tiered System of Supports (SAM) rubric and your school's SAM Report.

**School Name:** **Pompano Beach High School**

**School Year:** **2026 - 2027**

**Principal:** **Lisa Spencer**

**MTSS Coordinator:** **Ismail Mumtaz**

### Domain: **Building the Capacity and Infrastructure for Implementation**

|                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Current domain average:                                                                                                                                                                                                  | <b>2.5</b>                                                                                                                                                                                                                                                                                   |
| Expected domain average:                                                                                                                                                                                                 | <b>3.0</b>                                                                                                                                                                                                                                                                                   |
| Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.                                                                  | <ul style="list-style-type: none"> <li><b>Element 10 – Coaching is used to support MTSS implementation</b></li> </ul>                                                                                                                                                                        |
| Use the SAM rubric to briefly describe action steps the Leadership Team will take to enhance implementation and improve outcomes.                                                                                        | <ul style="list-style-type: none"> <li><b>Element 10 – All members of our “Coaching” staff will meet with our staff during PLC’s (QIT’s) to support/reinforce the various skills learned in PD. Coaches will practice new ideas and reinforce ways to support their students.</b></li> </ul> |
| Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome. | <ul style="list-style-type: none"> <li><b>By May 2027, the MTSS team will increase 3% in Math with the PM3 data based on the 2026 PM3 comparison data.</b></li> </ul>                                                                                                                        |
| List the team members who will support and monitor implementation of the two (2) identified elements.                                                                                                                    | <ul style="list-style-type: none"> <li><b>Lori Carlson</b></li> </ul>                                                                                                                                                                                                                        |
| Enter the plan implementation dates:                                                                                                                                                                                     | Start: <b>8/10/2026</b> to End: <b>6/1/2027</b>                                                                                                                                                                                                                                              |
