

SIP Literacy Leadership Team

Agenda

September 1, 2026

Goals

- All students have access to a rigorous, evidence-based curriculum for reading and writing
- Effective instruction is being provided to all students
- Progress Monitoring of students for literacy concerns by analyzing data from FAST ELA 2026
- Progress Monitoring of students for literacy concerns by analyzing data from PSAT 2025

District Literacy Plan

Data Chats

- Students that exhibit reading deficiencies will meet with the literacy coach and devise an academic plan that will be shared with parents and teachers.
- Students progress will be monitored throughout the school year and will continue to meet with the literacy coach as needed.
- Data Chats are a valuable resource and will continue with MTSS team monthly.

Importance of PLC/QIT

- Literacy is focus of SMART goal in PLC for ELA, Unified Arts and Counseling/Support

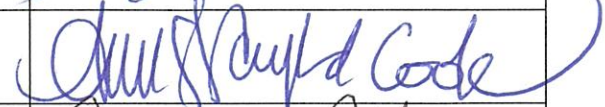

Differentiated Instruction to meet individual need

- NHS offers tutoring during personalization periods as well as teacher's office hours after school from 3:30-4:06 most days.

Close

- Literacy coach visits Social Studies and ELA department PLC/QIT to offer resources and attention.
