

Leadership Team Reading Plan Meeting Agenda

Date: August 24, 2026

Purpose: Develop a schoolwide reading plan aligned with Broward County's Comprehensive Reading Plan.

Agenda

1. Review Broward Comprehensive Reading Plan

- Review district expectations and required components.
- Identify key priorities for our school's reading plan.

2. Review Current Reading Data

- Examine available student achievement and assessment data.
- Identify areas of strength and areas requiring additional support.

3. Determine Reading Interventions

- Discuss and identify interventions to support students based on their instructional needs.
- Determine how interventions will be implemented and monitored.

4. Discuss Broward County Decision Tree

- Review the decision tree and criteria for identifying students in need of additional reading support.
- Discuss how the decision tree will guide intervention and RTI placement.

5. Establish a Schoolwide Reading Goal

- Discuss student achievement trends and areas of need.
- Establish a measurable reading goal for the 2026–2027 school year.

6. Action Steps and Next Steps

- Identify responsibilities, timelines, and follow-up actions.
- Determine how progress toward the reading goal will be monitored throughout the year.
