Prior year assessment data from the FAST scores, BAFS, and/or other assessment test scores, internal assessments, and/or diagnostics test were organized with graphs, tables, and charts. Parents are also a vital part of the process. A parent survey is sent home each spring to gather input concerning curriculum, environment, and communication. Parents are invited to meet with administration to discuss student achievement results and strategies for improving scores. Suggestions are discussed with staff and considered for inclusion in school-wide plans.
