COMPREHENSIVE NEEDS ASSESSMENT

1. ***Describe the process utilized to conduct comprehensive needs assessment for your school.***

Prior year assessment data from the FAST scores and internal assessments were organized with graphs, tables, and charts. Information was organized to show individual teacher, grade level, and school-wide results. Individual student results were given to classroom teachers for their review. Parents are also a vital part of the process. A parent survey is sent home each spring to gather input concerning curriculum, environment, and communication. Results from this survey are used to help write goals and objectives for the school. Parents are invited to meet with administration to discuss student achievement results and strategies for improving scores. Suggestions are discussed with staff and considered for inclusion in school-wide plans.

2. ***Describe strategies that will be used to attract high-quality, highly qualified teachers.***

The district's Talent Acquisition and Operations Department as well as a district level Talent Recruitment Committee work collaboratively to retain and recruit Highly Qualified, Certified-in-Field educators. Candidates are interviewed at the recruitment fair and referred by Instructional Staffing Department. Retention of teachers is top priority for our school. Teachers are supported and mentored to grow professionally by a veteran staff of teachers and assigned mentors as an instructional support system.
