26-27 SIP Attendance Goal

Chronic Absenteeism is when a student is absent 10% or more full days in a school year. Through the end of the 25-26 school year, 23.72% of our students were in the chronic absent category, the middle school average was 24.48%. Our goal is to decrease overall chronic absenteeism at our school by at least 1% by June 2027.
