

MTSS Action Plan

Complete the MTSS Action Plan below with your school's Leadership Team using the Self-Assessment of Multi-Tiered System of Supports (SAM) rubric and your school's SAM Report.

School Name: Deerfield Beach Middle School

School Year: 2026 - 2027

Principal: Dr. Latori Fulton

MTSS Coordinator: Ms. Octvioua Thomas/Ms. Bennett

Domain: Communication and Collaboration

Current domain average:	1.0
Expected domain average:	3.0
Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	Item#20: Educators actively engage families in MTSS
Use the SAM rubric to briefly describe action steps the Leadership Team will take to enhance implementation and improve outcomes.	The MTSS Leadership team will provide families with clear, ongoing communication about the MTSS process, student progress, and interventions. □ • Offer families opportunities to share input and participate in problem-solving and decision-making. □ • Establish consistent methods for documenting family communication and monitoring family engagement. □ • Review family feedback and engagement data during Leadership Team meetings to identify areas for improvement.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By June 2027 school year, increased family engagement in the MTSS process will result in improved student outcomes, as evidenced by at least 80% of identified students demonstrating documented progress toward their academic and/or behavioral intervention goals. The MTSS Leadership Team will monitor progress through MTSS progress monitoring data, intervention records, family communication logs, and family feedback surveys. The Leadership Team will review these data at regular meetings and adjust supports and communication strategies as needed to ensure families are informed and actively involved in supporting student success.
List the team members who will support and monitor implementation of the two (2) identified elements.	MTSS Team : Ms. Thomas, Ms. Mitchell, Ms. Docilait, Ms. Bennett, Ms. Scott, Ms. Lamy, Dr. Creach, Dr. Fulton, Mr. Jackson, Ms. Mays, Ms. Coke, Ms. Blatt
Enter the plan implementation dates:	Start: 8/10/2026 to End: 6/1/2027

Domain: Data-Based Problem-Solving

Current domain average:	1.0
Expected domain average:	2.5
Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	Item# 25: Student progress specific to academic or behavior goals are monitored
Use the SAM rubric to briefly describe action steps the team will take to enhance implementation and improve outcomes.	The MTSS Leadership team will ensure academic and behavior data are collected regularly and documented in a consistent format. • Review student progress-monitoring data during MTSS Leadership Team meetings to determine whether interventions are effective. • Use data to adjust, intensify, or discontinue interventions based on student response. • Provide ongoing staff support and training on collecting, interpreting, and using progress monitoring data to guide instruction and intervention.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By the end of the 2026–2027 school year, 80% of students receiving MTSS academic or behavioral interventions will demonstrate measurable progress toward their identified goals, as evidenced by progress-monitoring data collected at least every 2–4 weeks. The MTSS Leadership Team

If you need support completing this document, please email bcpssmtss@browardschools.com or contact your District MTSS IF (Instructional Facilitator)

	will review student data regularly to determine intervention effectiveness and make timely adjustments to instruction, interventions, and supports.
