High

ACTIVITY	STANDARD	DESCRIPTION
Example: School-wide Emotion Charades	Students will recognize, identify, and appropriately express basic emotions in themselves and others.	Example: In this school-wide activity, students across grade levels participate in "Emotion Charades" by acting out basic emotions using facial expressions and body language while peers guess the emotion. Class discussions follow, helping students better understand and express emotions in themselves and others.
Xello Intro Lessons	LSW A. Students will assess their personal strengths, limitations, values, and interests to set meaningful academic and career goals.	Students will engage in grade level events and learning to discover and explore interests and career goals.
Resiliency Education/LSW lessons	LSW B. Students will build and sustain healthy relationships through effective communication, empathy, and conflict-resolution strategies.	In this school wide activity, students will receive instruction and grade specific lessons to promote healthy relationships, effective communication and conflict resolution.
Resiliency Education/LSW lessons	LSW C. Students will develop the ability to persist through challenges, adapt to change, and maintain a positive outlook in pursuit of personal and academic success.	Students will engage in school wide activities and lessons to discover and develop positive character traits to influence personal and academic success.
