

**MTSS Action Plan**

Complete the MTSS Action Plan below with your school's Leadership Team using the Self-Assessment of Multi-Tiered System of Supports (SAM) rubric and your school's SAM Report.

**School Name:** **Nova High School**

**School Year:** **2026-2027**

**Principal:** **Olayemi Awofadeju**

**MTSS Coordinator:** **Alicia Calloo**

**Domain: Building the Capacity and Infrastructure for Implementation**

|                                                                                                                                                                                                                          |                                                                                                                                                                                                                             |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Current domain average:                                                                                                                                                                                                  | <b>2.5</b>                                                                                                                                                                                                                  |
| Expected domain average:                                                                                                                                                                                                 | <b>3.0</b>                                                                                                                                                                                                                  |
| Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.                                                                  | <b>7. Professional Development and Coaching Provided to Staff</b>                                                                                                                                                           |
| Use the SAM rubric to briefly describe action steps the Leadership Team will take to enhance implementation and improve outcomes.                                                                                        | <b>The leadership team will facilitate monthly PLCs to staff members that's related to their job responsibilities and provide coaching based on data to have continuous improvements in instructions and interventions.</b> |
| Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome. | <b>By May 2027, the students' proficiency on FAST PM3, Algebra 1 EOC, Geometry EOC, Biology EOC and US History EOC will increase by 4% as evidence by students scoring a level 3 or higher.</b>                             |
| List the team members who will support and monitor implementation of the two (2) identified elements.                                                                                                                    | <b>Alicia Calloo, Heidi Jones, Brian Chartrand, Jenna Gentile and Christine Sexton</b>                                                                                                                                      |
| Enter the plan implementation dates:                                                                                                                                                                                     | Start: <b>8/10/2026</b> to End: <b>5/28/2027</b>                                                                                                                                                                            |

**Domain: Three Tiered Instructional and Intervention Model**

|                                                                                                                                                                                                                          |                                                                                                                                                                                               |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Current domain average:                                                                                                                                                                                                  | <b>2.5</b>                                                                                                                                                                                    |
| Expected domain average:                                                                                                                                                                                                 | <b>3.0</b>                                                                                                                                                                                    |
| Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.                                                                  | <b>32. Tier 2 academic practices include common student needs are linked to Tier 1</b>                                                                                                        |
| Use the SAM rubric to briefly describe action steps the team will take to enhance implementation and improve outcomes.                                                                                                   | <b>The leadership will collaborate with staff during monthly common planning to ensure that Tier 2 practices are being used and are linked Tier 1 instructions.</b>                           |
| Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome. | <b>By May 2027, there will be a 3% increase in learning gains in reading and mathematics EOC's as evidence by comparing 2026 and 2027 FAST PM3 reading scores and mathematics EOC scores.</b> |
| List the team members who will support and monitor implementation of the two (2) identified elements.                                                                                                                    | <b>Alicia Calloo, Heidi Jones, Brian Chartrand, Jenna Gentile and Christine Sexton</b>                                                                                                        |
| Enter the plan implementation dates:                                                                                                                                                                                     | Start: <b>8/10/2026</b> to End: <b>5/28/2027</b>                                                                                                                                              |
