ACTIVITY	STANDARD	DESCRIPTION
Mindful Moments	LSW C. Students will engage in positive social interactions and demonstrate respectful and cooperative behaviors.	In this school-wide activity, students across grade levels participate in brief breathing, grounding and mindful-awareness exercises during morning announcements, classroom lessons or check-ins. Students identify when these strategies can help them regulate emotions and prepare to learn.
Building Our Classroom Community	LSW A. Students will recognize, identify, and appropriately express basic emotions in themselves and others.	Students practice greetings, active listening, inclusion, kindness, cooperation, and help-seeking. Activities establish respectful classroom relationships and a safe sense of belonging.
Self-Awareness	LSW C. Students will engage in positive social interactions and demonstrate respectful and cooperative behaviors.	Students identify and name emotions, personal strengths, needs, and body signals. They practice describing feelings appropriately and recognizing that others may experience emotions differently.
Step Into My Shoes	LSW B. Students will demonstrate the ability to manage emotions and behaviors to achieve personal and academic goals.	Using developmentally appropriate scenarios, students practice perspective-taking by identifying how another person may feel and selecting an empathetic, respectful, and inclusive response.
