

## Schoolwide Positive Behavior Plan (SPBP)

Broward County Public Schools

SY 2026 – 2027

|                       |                                |
|-----------------------|--------------------------------|
| <b>School Name:</b>   | Lauderdale Lakes Middle School |
| <b>School Number:</b> | 1701                           |

Please refer to the SPBP Canvas Resource page to access video tutorials, guidance, and resources for completing the 2026-2027 SPBP template.

### CRITICAL ELEMENT # 1: Active Team with Administrative Participation

#### 1A. Integrated MTSS School-Leadership Team Members

| Title                              | First and Last Name | Title                                     | First and Last Name    |
|------------------------------------|---------------------|-------------------------------------------|------------------------|
| 1. Administrator                   | Jay Sohn            | 7. Security Specialist/<br>Campus Monitor | James Green            |
| 2. Point of Contact                | Janay Lloyd         | 8. Social Worker                          | Marcella Mccrary       |
| 3. BTU Representative              | Alma Rolle          | 9. School Nurse                           | Maribel Perez De Alejo |
| 4. Parent/Community Representative | Latoya Peterson     | 10. Attendance Manager                    | Gerald Jones           |
| 5. Student Representative          | Qader Monpas        | 11. Life Skills & Wellness Liaison        | Alexandria Wnuk        |
| 6. School Counselor                | Marcia Lubin        | 12. Resiliency Liaison                    | Alexandria Wnuk        |

\*Optional Team Member(s): Family Therapist, Grade Level/Content Area Representatives, Clerical, Custodial, Food/Nutrition

#### 1B. Schedule of quarterly team meetings.

Meeting Objectives:

1. Progress monitor the action steps indicated in Critical Element #9.
2. Collect & analyze student outcome data using the 4 Step Problem Solving Process.

| Quarter                              | PBIS Data Meeting Dates | PBIS Data Meeting Times |  | Faculty and Staff Data Communication/Presentation Dates |
|--------------------------------------|-------------------------|-------------------------|--|---------------------------------------------------------|
| 1 <sup>st</sup><br>Aug. 10 – Oct. 9  | 8/3/2026                | 7:10am                  |  | 8/6/2026                                                |
| 2 <sup>nd</sup><br>Oct. 13 – Dec. 18 | 4/13/2026               | 7:10am                  |  | 10/22/2026                                              |
| 3 <sup>rd</sup><br>Jan. 5 – Mar. 18  | 1/4/2027                | 7:10am                  |  | 1/15/2027                                               |
| 4 <sup>th</sup><br>Mar. 29 – May 28  | 3/29/2027               | 7:10am                  |  | 4/2/2027                                                |

### CRITICAL ELEMENT # 2: Faculty & Stakeholder Commitment

#### 2. Team communication/presentation of new SPBP to staff and stakeholders

| Action Steps:                                                                                        | Dates     |
|------------------------------------------------------------------------------------------------------|-----------|
| Present the 2026-27 SPBP to staff ( <i>prior to April 30, 2026</i> )                                 | 4/10/2026 |
| Hold a <i>faculty</i> vote on the new SPBP ( <i>prior to April 30, 2026</i> )                        | 4/10/2026 |
| Provide training to faculty and staff ( <i>prior to September 30, 2026</i> )                         | 8/6/2026  |
| Present the 2026-27 SPBP to family and community stakeholders ( <i>prior to September 30, 2026</i> ) | 8/26/2026 |

## CRITICAL ELEMENT # 3: Data Collection and Analysis

**3A. Core Effectiveness:** Use current 2025-2026 school year behavior data as listed in Focus.

- Review your referral data YTD in Focus – Discipline Reports – *Students with Referrals*.
- Complete the yellow highlighted cells.
- Auto-calculate the “% of Total Population” by clicking on each “!Zero Divide” in the cells and pressing “Fn + F9”.
- Determine if the core is effective in all three areas.

|                                            |                |                       |                                |                                                                     |
|--------------------------------------------|----------------|-----------------------|--------------------------------|---------------------------------------------------------------------|
| TOTAL Population:                          | 658            | % of Total Population | Core Effectiveness             |                                                                     |
| # Referrals:                               | # of Students: |                       |                                |                                                                     |
| I. 0 - 1 referrals                         |                | 75%                   | Are your 0 – 1 referral > 80%? | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No |
| II. 2 - 5 referrals<br>(at risk students)  | 120            | 18%                   | Are your 2 - 5 referrals <15%? | <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No |
| III. > 5 referrals<br>(high-risk students) | 47             | 7%                    | Are your >5 referrals <5%?     | <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No |

**3B. Core Effectiveness Action Steps:**

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                                     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| If you answered “Yes” to I, II, and III above, then your core is effective.<br>Based upon table 8A, is your core effective?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No |
| <p>Answer <b>either</b> (a) or (b):</p> <p>(a) If your core is effective, then identify action steps your school leadership team should continue to take for early identification of at risk or high-risk students.</p> <p>(b) If you answered “No” to at least one of the items above (I, II, or III) then indicate the supports and interventions and action steps your school leadership team will implement <i>at the beginning</i> of the next school year to improve core strength:</p> <p>Core Effectiveness Action Steps: <i>(3-4 detailed steps)</i></p> <ol style="list-style-type: none"> <li>Continue with behavior mentorship through our behavior technicians</li> <li>Continue to implement and target high risk students for MTL and 5000 role models</li> <li>Project W.I.N. mentorship program should begin at the beginning of the year to target high risk students</li> <li>Begin year discussing and providing interventions for Tier 3 behavior students through RtI</li> </ol> |                                                                     |

**3C. Disproportionality** is often measured with the relative risk statistic calculation (Relative Risk Ratio = RRR), a measure that indicates the probability of a certain event (e.g., referrals) for one subgroup when compared to all other subgroups.

Relative Risk Ratio calculations are coming soon with the Focus Data System migration.

**3D. Disproportionality Action Steps:**

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What activities/initiatives/programs will your school leadership team implement to prevent disproportionate discipline outcomes within sub group populations (race, SWD, ELL)?                                                                                                                                                                                                                                                                                                                           |
| <p>Disproportionality Action Steps: <i>(3-4 detailed steps)</i></p> <ol style="list-style-type: none"> <li>Continue with behavior mentorship through our behavior technicians</li> <li>Continue to implement and target high risk students for MTL and 5000 role models</li> <li>Project W.I.N. mentorship program should begin at the beginning of the year to target high risk students</li> <li>Begin year discussing and providing interventions for Tier 3 behavior students through RtI</li> </ol> |

## CRITICAL ELEMENT # 4: Schoolwide Expectations & Location-based Rules

- 4A.** Top five behavior incidents: **Use current 2025-2026 school year behavior data** as listed in Focus.
- Review your referral data YTD in Focus – Discipline – Category Breakdown – *Highest Discipline Code*.
  - Complete the chart by identifying the top five behavior incidents and the number of incidents for each type.
  - Complete the yellow highlighted cells.
  - Auto-calculate the total # of referrals by clicking on “0” and pressing “Fn + F9” together.

| Top 5 Behavior Incidents<br>Current Year 2025-2026 | # Incidents |
|----------------------------------------------------|-------------|
| 1.Disobedience                                     | 143         |
| 2.Class cut/skipping                               | 132         |
| 3.Unruly/disruptive behavior                       | 107         |
| 4.Unruly/disruptive play                           | 79          |
| 5.Tardiness habitual                               | 70          |
| TOTAL                                              | 531         |

- 4B.** School-wide expectations are 3 – 5 positive characteristics (*not behaviors*) that counteract the top school-wide misbehaviors in section 3A. ALL people on campus are expected to model these expectations.

| Schoolwide Expectations |
|-------------------------|
| 1.Be respectful         |
| 2.Be responsible        |
| 3.Be safe               |
| 4.Be a Viking           |
| 5.                      |

- 4C.** Top three school-wide locations: **Use current 2025-2026 school year behavior data** as listed in Focus.
- Review your referral data YTD in Focus – Discipline – Category Breakdown – *Location*.
  - Complete the chart by identifying the top three schoolwide locations, excluding classroom and the number of incidents for each location.

| Top 3 Locations, <b>excluding Classroom:</b> |             |
|----------------------------------------------|-------------|
| School Location(s)                           | # Incidents |
| 1. Hallway                                   | 146         |
| 2.Cafeteria                                  | 119         |
| 3.Restroom                                   | 40          |

**4D.** Expectations and Rules Chart for common areas of school campus:  
This chart is posted in all classrooms and used to teach students during behavior lessons.

| Schoolwide Expectations and Location-based Rules |                                                                               |                                                                                                          |                                                                                                     | Completed by each teacher: |
|--------------------------------------------------|-------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------|----------------------------|
| Schoolwide EXPECTATIONS                          | Hallway Rules                                                                 | Cafeteria Rules                                                                                          | Click here to enter location: Rules                                                                 | Classroom Rules            |

## CRITICAL ELEMENT #5: Teaching Behavior

**5A.** At least one lesson plan for **each** schoolwide expectation above is distributed to instructional staff during pre-planning week and are maintained in the SPBP Binder.

| Dates when the schoolwide expectations lesson plans are taught by instructional staff and noted in lesson plans: |           |                               |                                         |
|------------------------------------------------------------------------------------------------------------------|-----------|-------------------------------|-----------------------------------------|
|                                                                                                                  | Date(s)   | Time:                         | Location(s):                            |
| Start of School Year                                                                                             | 8/10/2026 | Before/after each grade lunch | Classroom/Behavior Expectation Assembly |
| After Winter Break                                                                                               | 1/12/2027 | Before/after each grade lunch | Classroom/Behavior Expectation Assembly |
| After Spring Break                                                                                               | 3/29/2027 | Before/after each grade lunch | Classroom/Behavior Expectation Assembly |

**5B.** At least one Rules Lesson Plan for **each** common location is distributed to instructional staff during pre-planning. This is aligned to the **Schoolwide Expectation/Location-based Rules** chart in section 4D. Location-based rules should be taught and reinforced in the context of the location in the beginning of the year, after long breaks, and throughout the year as necessary.

| Dates when the rules lesson plans for common locations are taught by instructional staff and noted in lesson plans: |               |                 |           |
|---------------------------------------------------------------------------------------------------------------------|---------------|-----------------|-----------|
| Common Location                                                                                                     | Hallway Rules | Cafeteria Rules | Bus       |
| Lesson Plan Dates                                                                                                   |               |                 |           |
| Start of School Year                                                                                                | 8/10/2026     | 8/10/2026       | 8/10/2026 |
| After Winter Break                                                                                                  | 1/12/2027     | 1/12/2027       | 1/12/2027 |
| After Spring Break                                                                                                  | 3/29/2027     | 3/29/2027       | 3/29/2027 |

**5C.** Prevention programs and other schoolwide student support initiatives can be used to proactively teach positive behavior and prosocial skills. Use this chart to plan for how you will use District supported programs and initiatives to promote positive behavior on campus.

| Program/Initiative                                         | Plan Details            |                                     |                                                                                                       |                                                                               |
|------------------------------------------------------------|-------------------------|-------------------------------------|-------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|

| <b>Resiliency Curriculum</b><br><br>Click to enter "other" | Twice a month           | Science and Social Studies teachers | This will be implemented through the core classes. It will be done via the district curriculum.       | Using Re-think ED data. Resiliency education liaison will review data.        |
| <b>Character Education</b><br><br>Click to enter "other"   |                         | Social studies teachers             | This will be implemented through social studies classes. It will be done via the district curriculum. | Staff members will monitor student behavior in classes and throughout campus. |

## CRITICAL ELEMENT # 6: Recognition Programs

**6A.** The schoolwide recognition system focuses on reinforcing schoolwide expectations OR a specific location where referrals often occur. The recognition should be used to encourage, acknowledge, and reinforce students to exhibit positive behaviors.

Identified Schoolwide Expectation OR Specific Location: Click here to enter Expectation OR Location

| 4 Step Problem Solving Process                                                                                                                                 | Plan Details                                                                                                                                                                                                                                                                                                                          |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>1. Problem Identification:</b> Review your behavior data to identify one school-wide problem. What problem did you identify?<br><i>(use numerical data)</i> | <b>Data used:</b> Attendance<br><br><b>Problem Identification Statement:</b> <i>Many students are reporting late to class</i>                                                                                                                                                                                                         |
| <b>2. Problem Analysis:</b> Why do you think this problem is occurring? What is your goal?<br><i>(create a SMART goal statement with numerical data)</i>       | <b>Hypothesis:</b> <i>Students are socializing with friends, not making it a priority to arrive on time to class and reporting late due to students leaving their prior class much after the bell.</i><br><br><b>SMART Goal Statement:</b> <b>By June 3, 2027, 25% of student tardies will decrease during classroom transitions.</b> |
| <b>3. Intervention Design:</b> Describe how you will implement a positive reward program/system to decrease this problem.                                      | <b>Type of Program/System:</b> Token system<br><br><b>Description of Program/System:</b> <i>The school can identify top classrooms with least amount of tardies by grade-level and provide Viking Bucks or an activity for students with 0-2 tardies for the quarter.</i>                                                             |
| <b>4. Evaluation:</b><br>A. Implementation fidelity                                                                                                            | <b>How will you monitor the fidelity (consistency and effectiveness) of the staff's implementation of the reward program/system?</b> <i>The SPBP team will monitor through Focus and determine effectiveness comparing the current initiative to last year's attendance records.</i>                                                  |
| B. Student outcome monitoring <i>(use numerical data)</i>                                                                                                      | <b>How will you know if the reward program/system is positively impacting students? What measurable data will you use to determine "success"?</b> <i>By comparing last year's attendance to 26-27 SY.</i>                                                                                                                             |

**6B.** *Character Education* is an educational and award program utilized to teach and recognize students who display positive character traits each month. Please refer to the BCPS website for lesson plans, videos and additional resources to support this recognition program at your school. 

| Monthly Character Traits | Plan Details                                                                       |
|--------------------------|------------------------------------------------------------------------------------|
|                          | How will you recognize <i>Kids of Character</i> each month? <i>(2-3 sentences)</i> |

|                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ol style="list-style-type: none"> <li>1. September: Cooperation</li> <li>2. October: Responsibility</li> <li>3. November: Citizenship</li> <li>4. December: Kindness</li> <li>5. January: Respect</li> <li>6. February: Honesty</li> <li>7. March: Self-Control</li> <li>8. April: Tolerance</li> </ol> | <p>Each month, teachers and staff will nominate students who consistently demonstrate strong character traits such as respect, responsibility, and integrity. Selected “Kids of Character” will be recognized with a certificate, a shout-out during announcements, their photo displayed on the digital slideshow in the front lobby, and a small reward like a treat or school privilege. These students may also be invited to a special monthly celebration or lunch with an administrator to reinforce their positive behavior. We can also opt to do character traits for the school’s 4 expectations (4Bs).</p> |

| <input type="checkbox"/> Classroom Snapshot (Classroom Management Assessment)  |
| <input type="checkbox"/> PBIS Classroom Assistance Tool (CAT)                  |
| <input type="checkbox"/> Other ( <i>specify</i> ):                                                                                                              |

### 8C. Percentage of classroom referrals: **Use current 2025-2026 school year behavior data** as listed in Focus.

(a) Review your classroom data YTD in Focus – Discipline – Category Breakdown – *Location*.

(b) Complete the yellow highlighted cells.

(c) Auto-calculate the % of referrals in the classroom by clicking on “!Zero Divide” in the next cell and pressing “Fn + F9” together.

|                                                                                                  |                                                                     |
|--------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| Total number of discipline referrals <b>from classrooms</b> :                                    | 676                                                                 |
| Total number of <i>other</i> <b>school-wide</b> discipline referrals (not including classrooms): | 446                                                                 |
| % of referrals in the classroom:                                                                 | 60%                                                                 |
| Do more than 40% of your referrals come from the classroom?                                      | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No |

**If >40% of discipline referrals come from the classroom, it suggests Tier 1 classroom management implementation may need to be strengthened school wide.**

## Critical Elements # 9: SPBP Implementation Planning

## CRITICAL ELEMENT # 10: Evaluation

**10A. Staff** Implementation of the Schoolwide Positive Behavior Plan: review goals, evaluate implementation, and create 2 action steps to review in quarterly PBIS meetings.

*"Are staff implementing the SPBP with fidelity? If not, how will you address this area?"*

| STAFF Implementation Monitoring                                                                                                                               |                                                                     |                                                                                                                              |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Staff Implementation Goal                                                                                                                                     | Quarterly Team Review: Implemented with fidelity?                   | If you answered <b>No</b> , enter 2 action steps your school will take to move towards this goal by the next PBIS meeting.   |
| 100% of hallways, front office, cafeteria, and other public areas all have school-wide expectations and location-specific rules posted.                       | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | By Click here to enter a date,<br>1.<br>2.                                                                                   |
| 100% of instructional staff has delivered expectations and rules lesson plans as written and when indicated.                                                  | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | By Click here to enter a date,<br>1.<br>2.                                                                                   |
| 100% of staff members are oriented to the Discipline Flow Chart. It is used consistently by 100% instructional staff, behavioral support, and administrators. | <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No | By Click here to enter a date,<br>1.<br>2.                                                                                   |
| A recognition system is implemented by 100% of staff for <i>all</i> students.                                                                                 | <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No | By 8/7/2026,<br>1. Go over expectations for the Viking Reward system<br>2. Progress monitor effectiveness and use by teacher |

**10B.** The SPBP is successful in positively impacting **students**: review behavior data and create a SMART goal. Evaluate implementation and create action steps to review in quarterly PBIS meeting.

*"If staff are implementing the SPBP consistently and effectively, is it positively impacting students? How will you know?"*

### SMART Criteria:

|   |            |                                                                                                          |
|---|------------|----------------------------------------------------------------------------------------------------------|
| S | Specific   | Concrete, detailed, focused, and well defined. Results-focused and action-orientated.                    |
| M | Measurable | The measurement sources (data) are defined numerically in order to track progress towards the objective. |
| A | Attainable | Objectives are achievable in the near future to maintain motivation.                                     |
| R | Realistic  | Staff have the resources to achieve the objective- time, personnel, materials, etc.                      |
| T | Time-bound | Agreed-on time frames create the necessary urgency and prompt action.                                    |

| STUDENT Outcome Monitoring                                   |                                                                                                                   |                                                                                                                                                                   |
|--------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Student Outcome Data                                         | Complete the SMART goal to determine "successful" student outcomes ( <i>use numerical data</i> )                  | List 2 action steps your team will take to ensure this goal is monitored and meets or exceeds the SMART goal.                                                     |
| <b>Select an item</b><br><i>Choose one ODR area of focus</i> | By June 3, 2027, tardiness will indicate 25% decrease as measured by Office Discipline Referrals (ODRs) in Focus. | 1. Create schedule of incentives and/or field day activity for students with 0-2 tardies for the quarter<br>2. PBIS team to discuss monthly and track attendance. |

## SPBP Submission

1. Upload completed SPBP (as PDF) into BCPS Central in the School Improvement Plan. 
2. Complete PBIS Point of Contact form.
