Rating: Optimizing (3), Operationalizing (2), Emerging (1) and Not Implementing (0)

Feedback:

Date: Friday, October 30, 2026 **District MTSS Instructional Facilitator feedback:**	By end of October, the Collaborative Problem-Solving (CPS) team will provide all instructional staff professional development and on-the-spot training during MTSS/RtI meetings on MTSS/RtI implementation. Specific content of the training includes data-base problem solving, FOCUS recording and documentation, and three-tiered model interventions and supports.
Date: Thursday, May 27, 2027 **District MTSS plan of support:**	District MTSS Instructional Facilitator (IF) will provide ongoing support and guidance to the CPS team to implement strong MTSS systems and processes within their school and provide effective professional development and training on MTSS (RtI) implementation to all instructional staff.
Date: Friday, October 30, 2026 **District MTSS Instructional Facilitator feedback:**	By end of October, CPS team will provide all instructional staff professional development and training on the progress monitoring process and the specific tools used to monitor students' outcomes.
Date: Thursday, May 27, 2027 **District MTSS plan of support:**	District MTSS IF will provide ongoing support and guidance to the CPS team to properly analyze student intervention data and the impact it has on Tier 1 data to effectively determine student intervention outcome and next action steps, while keeping parents informed of student intervention progress.
