Vision Statement

The school counseling vision statement communicates what school counselors hope to see for students five to 15 years in the future. It aligns with the school and district vision.

The school counseling vision statement:

- Describes the future world where student outcomes are successfully achieved.
- Portrays a rich and textual picture of success, providing a full image of what students become.
- States the best possible student outcomes that are five to 15 years away

Tamarac Elementary seeks to:

- Ensure equitable access to counseling services and opportunities for every student.
- Strengthen students' academic achievement, engagement, attendance, and readiness to learn.
- Develop students' social-emotional competencies, including self-awareness, self-management, and responsible decision-making.
