

MTSS Action Plan

Complete the MTSS Action Plan below with your school's Leadership Team using the Self-Assessment of Multi-Tiered System of Supports (SAM) rubric and your school's SAM Report.

School Name: **Davie Elementary School 2801**

School Year: **2026 - 2027**

Principal: **Delicia J. Collins**

MTSS Coordinator: **Stacie Giglio-Urtecho/Nicole Pimentel**

Domain: **Building the Capacity and Infrastructure for Implementation**

Current domain average: 2.09	2.0
Expected domain average: 3.0	3.0
Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	6. Critical elements of MTSS are defined and understood
Use the SAM rubric to briefly describe action steps the Leadership Team will take to enhance implementation and improve outcomes.	Develop and distribute a Davie Elementary MTSS Handbook outlining tiered supports, intervention procedures, problem-solving processes, and staff responsibilities. Review MTSS expectations during pre-planning and quarterly staff meetings.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By June 1, 2027, Davie Elementary will increase consistent staff understanding and implementation of the critical elements of MTSS—including curriculum standards, assessments used to inform instruction, multiple tiers of instruction and intervention, and data-based problem solving—so that at least 80% of students receiving Tier 2 or Tier 3 academic and/or behavioral interventions demonstrate measurable progress toward their identified goals. Evidence of improved student outcomes will be monitored through MTSS intervention plans, progress-monitoring data, FAST/i-Ready assessment results, behavior data, PLC data reviews, and quarterly MTSS problem-solving documentation.
List the team members who will support and monitor implementation of the two (2) identified elements.	Principal, Assistant Principal, MTSS Team
Enter the plan implementation dates:	Start: 8/10/2026 to End: 6/1/2027

Identify and list at least one (1) element within the selected SAM domain that will enhance MTSS implementation and positively impact student outcomes.	19. The infrastructure exists to support family and community engagement
Use the SAM rubric to briefly describe action steps the team will take to enhance implementation and improve outcomes.	Develop a comprehensive family engagement plan that includes parent workshops, newsletters, school website updates, SAC presentations, and community partnerships. Provide MTSS information and resources in family-friendly language.
Write a SMART goal identifying the student outcome(s) the team expects to improve as a result of addressing the selected domain and element(s). Include the data source that indicates evidence of the improved outcome.	By June 1, 2027, Davie Elementary will strengthen the infrastructure for family and community engagement by providing consistent MTSS communication, family-friendly resources, parent workshops, SAC updates, and community partnership opportunities so that at least 80% of students receiving Tier 2 or Tier 3 supports demonstrate measurable progress toward their academic, behavioral, attendance, and/or social-emotional goals. Evidence of improved student outcomes will be monitored through MTSS intervention plans, FAST/i-Ready assessment data, progress-monitoring results, attendance records, behavior data, parent participation records, and quarterly MTSS problem-solving documentation.
