

CERP Team Meeting Agenda

August 14, 2026

Meeting Purpose: To align the CERP Team on upcoming reading intervention supports, data collection responsibilities, MTSS training needs, and instructional materials for intervention implementation.

Agenda Items

1. **Welcome and Opening**

Review the meeting purpose and desired outcomes for the CERP Team.

2. **Walk to Read**

Discuss implementation plans, grouping considerations, schedules, and support needed for Walk to Read.

3. **Reading Interventions**

Review current intervention needs, how students will be identified for support, and how intervention groups will be monitored.

4. **Data Collection Roles**

Clarify who will collect, enter, monitor, and review student data. Discuss timelines and expectations for documentation.

5. **MTSS Training**

Discuss MTSS training needs, upcoming opportunities, and how information will be shared with staff.

6. **UFLI Training for Kindergarten, 1st Grade, and Ms. Therien**

Review training expectations, scheduling needs, and support for implementation.

7. **UFLI and Vocabulary Intervention Materials**

Review available materials, identify additional resources needed, and determine how materials will be organized and distributed.

8. **Next Steps and Action Items**

Confirm decisions made, assign follow-up tasks, and determine dates for completion.
