COMPREHENSIVE NEEDS ASSESSMENT

1. Describe the process utilized to conduct comprehensive needs assessment for your school.

School Year 205-2026 assessment data from the FAST, BSA Scores, Informal Reading, Math and Science Assessments are organized using an online database that contains graphs and tables. The information in the online database is organized to show individual teachers, students, grade level, and school-side results. Individual student results are given to classroom teachers for their analysis. Parents are also a vital part of the comprehensive process. A parent survey is sent home each year in March to gather parents and input concerning curriculum, environment, and communication from the school/district. Results from this survey are analyzed and used to help write actionable goals and objectives for the following school year. Parents are invited to meet with administration to discuss student achievement results and strategies for improving scores at even School Advisory Council (SAC)/ Title 1 Meeting that is conducted monthly. Suggestions are shared and discussed with the staff and considered for inclusion in school-wide plans.

2. Describe strategies that will be used to attract high-quality, highly qualified teachers.

As a school we work collaboratively to retain and recruit highly qualified, certified in field educators. We have a strong support system for our teachers in which instructional coaches and the leadership team provide the necessary professional development needed to ensure each leader is comfortable with their instructional practice. Our school demographics attracts a culturally diverse staff which makes both students and staff comfortable with the classroom environment. Highly qualified teachers are also attracted and retained with the opportunity to grow in leadership. Retention of teachers is top priority for our school. Teachers are supported and mentored to grow professionally by a veteran staff of teachers and assigned mentors as an instructional support system. We retain effective teachers through our New Educator Program, TIER through district and in-school trainings. Our school also partners with universities to host student teacher in which some turn into new teachers at the school the following school year. We also continually recognize our teachers with incentives for effective teaching practices and supportive practices within the school.

ADDITIONAL REQUIREMENTS – Coordination and Integration

3. Title I, Part A Program. Describe how Title I funds are used to staff additional teachers to assist students, particularly low performing students.

Title 1 funds are used to develop comprehensive professional training to improve delivery of instruction through a variety of activities that are designed to move teachers into mastery and improve student achievement. We have schedules for push-in support for the lowest 30% of our students. We also have resource teachers that provide that double dose of instruction to our lowest 30% students. We utilize our funding to provide Extended Learning Opportunities (ELO) camps for our low performing students. Parental involvement funds are utilized to fund monthly academic parent nights that provide parents with new skills to support student learning at home.
