- Superintendent's proposal includes consolidating 19 current committees into five umbrella committees:
  - Audit
  - District Advisory
  - Diversity
  - Academics (now excludes ESE)
  - Community & Infrastructure
- Revised proposal would keep ESE as a standalone committee.

- Concerns raised about limiting term limits to 2 years and disallowing individuals from serving on multiple advisory boards.
- Parents and community members are encouraged to provide feedback: BCPS Policy Workshop & Agenda | Committee Proposal Presentation

## E. North Area Meeting Updates

The north area meeting was held on Oct 16<sup>th</sup>. Some of the key details from the meeting were:

- Presentation from Farrah Wilson. She explained that the new district website was launched to create a cleaner, more modern, and user-friendly experience. The redesign involved migrating over 80,000 pages from 235 school sites and 90 departments, a large project that took place while many staff were off-calendar. She highlighted new features such as the Hero Showcase and “Enroll Now” button, which support school identity and the district’s enrollment marketing efforts under “Choose BCPS.”
- SAC Funding - After much speculation, it has been confirmed that schools would not be receiving SAC rollover funds this year. The new CFO has decided to eliminate rollover dollars entirely, and although schools will still receive A+ recognition and workforce education funds, those too will not carry over into the next year.

Discipline - too punitive for elementary - members should know that discipline resets each year and all prior discipline drops off students records at a certain grade - staff to follow up with which grade. Transportation issues. Teachers not having time to
