Good Evening!

We will hold a School Advisory Council Committee Meeting on Wednesday, December 3, 2025, at 5:30 PM in the Stranahan Media Center to discuss the allocation of accountability funds and their impact on student achievement. As we continue striving to provide the best possible educational outcomes for our students, this meeting will focus on strategic decisions that directly influence their success this school year.

This is a critical discussion as we approach a pivotal point in the academic year. It is also an important voting meeting, and achieving quorum is essential for us to move forward effectively.

Thank you, and I look forward to seeing you all there.

  - b. Composition Attendance (8)

2. Approval of November Minutes – Mr. Douzable

She gave a synopsis of the current state of PM2 testing. 59% of the students were tested and 8 students for reading and 9 for math met their graduation requirements.

4. Old Business

- a. Accountability Fund Balance - Pending – Mr. Hart

5. School Environmental Safety Incident Reporting (SESIR Incidents) – Mr. Hart

6. New Business

- a. A+ Funds Introduction – Mr. Hart: He explained the process for distribution of funds (educational equipment and personnel, who are eligible to receive funds)
- b. Florida School Recognition Program (A+ Funds) Proposals – Mr. Hart
- c. Creation & Approval of A+ Funds Ballots – Mr. Hart: He explained about who can vote for distribution of funds and where to find the ballots. He showed a sample staff ballot and the proposals on the ballot. The SAC must be specific about who can receive the funds. Principal Gayle gave insight into the reason why the school account is negative because they forgot to give bonuses to four individuals. We had a 15-minute discussion about the ballot to share ideas about the ballot. There are several questions about the rationale to determine who can receive money. Mrs. Azim and Mr. Saravia asked questions about the option the 70 days or more to be eligible. Option 1 includes everyone. Principal Gayle. The BTU steward Ms. Miller stated that teachers must have a greater percentage of the funds because they are held accountable for their students' academic performance. Mr. Saravia and Mr. Ward disagreed with Ms. Miller and rebutted that her statement might be true but as a family we should share the money equally.
- d. The SAC discussed how to specify the distribution of the funds, to differentiate between instructional with students and instructional without students. To amend the language for part 1 of option 2.
- e. The SAC voted on specifying option 2. The SAC voted not to specify; and added the language to define extended leave for people who did not return to work for the school year.
- f. The SAC voted in favor to approve option one, two, and three. Mrs. Azim made a motion to approve the current ballot and motion seconded by Mr. Ward. The motion was approved.

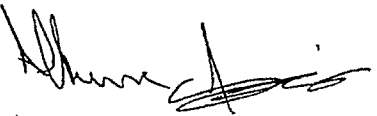

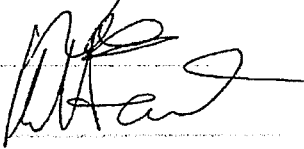

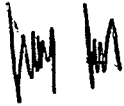

- h. Mrs. Azim, SAF chair, gave a synopsis of the minutes of the SAF meeting.
7. SIP Monitoring and Feedback
8. Questions/ Concerns  
No questions and concerns
9. Next Meeting Date – February 4, 2026
10. Adjournment: at 7:06 pm Mrs. Azim motioned to adjourn the meeting, I seconded the motion to adjourn the meeting.
