

WE WANT YOU!

FOR SCHOOL ADVISORY COUNCIL

Greetings Stranahan High School Parents and Guardians,

Stranahan High School invites our parents and guardians to become active members of our School Advisory Council (SAC) and help shape the continued success of our school community.

The School Advisory Council brings together parents, teachers, community members, school administrators, non-instructional support staff, and other stakeholders who meet regularly to establish priorities, set annual objectives, and monitor progress toward school improvement.

As a SAC member, you will have an opportunity to:

- Help identify priorities for Stranahan High School
- Provide meaningful parent and community input
- Review school data, needs, goals, and improvement strategies
- Participate in the development and monitoring of our School Improvement Plan (SIP)
- Help ensure our school improvement efforts align with the District's Strategic Plan
- Serve as a voice for our students, families, and community

Your perspective matters. SAC is established in accordance with Florida Statute 1001.452 and SBBC Policy 1403, and all SAC meetings are open to the public and conducted in accordance with Florida's Sunshine Law. A strong School Advisory Council reflects the diversity of the school community it serves.

At Stranahan, Excellence is the Standard, and achieving that standard requires the partnership of our entire Dragon Family. WE WANT YOU!, our parents and community members at the table—sharing ideas, asking questions, celebrating progress, and helping us determine how we can continue creating the very best opportunities for every student.

We hope you will consider joining the Stranahan High School Advisory Council and lending your voice, experience, and perspective to this important work.

Join Us Each Month @ 5:30 PM in the Stranahan Dining Hall
