**Croissant Park Elementary  
Title I School  
School Advisory Committee Meeting  
August 26, 2026**

- **Welcome/Call to Order**
  - **Ms. Blain:** Welcomed everyone to our first SAC meeting. Ms. Macrina transferred to another school. I will be your chair. I am also the math coach.
- **Attendance:**
  - We are going to approve the minutes. Please read over the minutes. Only the members are allowed to do a motion to approve the minutes. Ms. Tatiana made a motion to approve the minutes. Ms. Guzman seconded the motion.
- **SAC Composition.**
  - Ms. Blain: Next, we will look at the SAC composition. These are the areas we need to get filled out. Currently, we are in need for a BTU Steward. Thank you, Ms Angela, for being here for our community business representative. Ms. Rebecca, our community school representative. Ms. Tatiana is our ESOL parent representative. We are still looking for a gifted parent representative, ize representative. Thank you, Ms. Guzman, for being our non - instructional representative. We need a parent representative and a Pre-K representative. Those are the compositions of our SAC committee .
- **Title I Report - Ms. Busy**
  - Ms. Bazy asked for Title I Parent Representatives. She thanked Ms. Tatiana and Ms. Shirrie Bailey for signing up already and have represented over the past few years. These positions include attending district parent trainings and workshops and then coming back to share and distribute information received with the community.
  - Our first upcoming event will be a Parent Orientation September 17<sup>th</sup> at 7 p.m. The guest speaker/author, Ms. V Harrison. Flyers were handed out and will be posted on the parent link.

- **School Environment Safety Incident Report (SESIR) by Ms. Monroe:**
  - Ms. Monroe introduced herself as the new assistant principal at Croissant Park Elementary. She has 25 years of educational experience, 15 as an administrator. I am excited to be part of the Croissant Park family.
  - As far as the SESIR report, we have no behavior incidences. We did have our first behavior, discipline expectations assembly with all our students. They are aware of what is required of them behaviorally as well as our anti-bullying training that our teachers are doing with them as of now.
- **Principal's Report – Mrs. Monroe**
  - Mrs. Allison sends her greetings. Unfortunately, she could not be with us today. We are currently sitting at 681 students and growing. Our enrollment has grown considerably in the last couple of weeks.
  - We are also excited about our school grade; we are an A school and very proud of that. We worked hard for that. We do have some work to maintain that A this year. We did make some drops in ELA, so our focus this year academically will be in the area of reading just to ensure all of our students are performing adequately where they should be. Additionally, when we look at our learning gains, we did make a considerable job in that area, making sure that all of our students are learning from one year to the next.
  - Our staffing concerns, we do have some open vacancies. Those vacancies are as a result of staff retirement. We had a very large number of staff retirement the last school year. We wish them the very best in their retirement. We currently have one 4<sup>th</sup> grade vacancy and three 5<sup>th</sup> grade vacancies as well. So, we currently and actively are interviewing for those positions. But we are very hopeful. We have some candidates in the pipeline. Hopefully we will have those positions filled by next month.

### **Questions and Concerns**

- Tatiana mentioned there are many parents asking about why their child was not placed in the advanced classroom when they had been in the advanced classes the previous years. Mrs. Monrow explained they can send her an email and also that

once the PM1 is completed, we will look at the grade level as a whole to determine if any class changes need to be made.

- Ms. Tatiana asked about the computers that were supposed to go home to students if they filled out a form on focus, when they will be distributed. Ms. Monroe explained that Mr. Diaz is working on them now to upgrade them to make sure they have the right software.
- Ms. Tatiana asked about the last meeting that we had, there was a discussion about getting a music teacher. Mrs. Monroe said that we do have a music teacher this year.
- Ms. Blain added information regarding our 5<sup>th</sup> grade substitutes, we do have support staff there also. We have Ms. Bazy, Mrs. Harrison, Mrs. Bencie, and myself. We are in there making sure they have the lesson plans and that they know the curriculum and the standards and we also model the lessons for them.

- **Upcoming Meeting for the 26-27 School Year**

- Mrs. Blain passed out a flyer of upcoming SAC Meetings and PTSO events

- **Accountability Funds – Ms. Blain**

- This year, we are going to receive accountability fund, but that information is not available yet. If it is available by the next meeting, this is a fund we will have to vote on to see how we will distribute it. Because we became an A school, we are entitled to receive this fund from the state.

**Call to Adjourn/Motion to Close**

Ms. Bailey motioned to adjourn. Ms. Angela seconded the motion.
