General Meeting**

The School Advisory Forum General Meeting was called to order at 6:22 p.m. by Assistant Principal Joseph.

Attendees were welcomed, and the purpose of the meeting was stated. The SAF Chair provided an update and addressed current forum matters.

Ms. Joseph reviewed student identification requirements and explained that assistant principals provide temporary IDs to students at the designated checkpoints. Temporary ID replacements are issued only through the end of first period.

Ms. Joseph also presented the upcoming sports calendar and shared information about Homecoming. Homecoming will be held in the school cafeteria, the theme is “Midnight in Miami,” and tickets are currently \$80.

Following the updates, Ms. Joseph led the group on a tour of the new 3300 building. Members were shown the checkpoint entrance and toured four downstairs classrooms. During the question-and-answer portion, a member asked where students should report if they arrive without an ID, and Ms. Joseph responded that students should report to the designated checkpoint to receive a temporary ID before the end of first period. A member also asked whether Homecoming tickets would remain at the current price, and Ms. Joseph explained that families and students should monitor school announcements for ticket-price updates and purchasing deadlines. Another member asked how the new building’s entrance would affect student arrival, and Ms. Joseph clarified that the checkpoint entrance will support an orderly arrival process.

Meeting was adjourned at 6:53 pm. Next meeting on October 13, 2026.
