Dillard Elementary School
School Advisory Forum Minutes
Tuesday, April 28, 2026
4:00pm

I. Welcome

Mrs. Patricia Allen, the SAF chair, called the meeting to order at 4:00pm.

II. Old Business – The old minutes were read and discussed

III. New Business –

- Mrs. Allen discussed the that 40, 000 books were distributed to STO schools.
- Schools in STO are targeting interventions on basic needs of the students in order to maintain momentum before PM3 testing.
- The district is starting a new initiative called “Every Day Counts” to help with the daily average attendance counts and chronic absences. There is a significant decline in attendance on early release days, days before holidays, and inclement weather days. The district has found that attendance issues are more profound in the high school.
- One concern for attendance is inconsistent expectations across the schools and the educational value of early release days.
- Also, there is a community resource call “Jay’s Closet”. They will provide clothing, food, baby supplies, and diapers for the community.

IV. Mrs. Allen adjourned the meeting at 4:22pm.
