SAF Meeting call to order at 10:20 a.m. by SAF chair Marie Simmons

SAF chair reported information on Academics and programs

- The district's elementary and secondary departments reviewed progress-monitoring assessments and supports for students with disabilities, including how IEP accommodations are used in testing
- Secondary Learning highlighted advanced academic options: AICE, IB, and AP; all three pathways can count toward Bright Future Scholarships and may provide college credits or even an AA degree while in high school.
- A parent-facing webpage is being developed so families can see what students are learning each week/quarter and how to support them at home.

School Choice, scheduling an "Redefining our Schools."

- School choice (reassignment and magnet applications) runs through FOCUS, families not currently in BCPS must first obtain a student number at their home school, then apply in FOCUS
- The Superintendent recommends 11 attendance-boundary and usage changes for 2026-27 school year, including consolidations and reconfigurations. Key ones are for South Area families.

1. Partnership Updates: EdFed Credit Union
