Oakridge Elementary School

School Advisory Council (SAC)
Meeting Minutes – September 24, 2026

Call to Order:

A meeting of the Oakridge Elementary School Advisory Council was held in person on September 24, 2026. Mrs. Davis called the meeting to order at 5:15 p.m. and served as the recording secretary for the meeting. Mrs. Davis opened the meeting with welcome remarks and reviewed the purpose of the School Advisory Council. She also reviewed the goals of Oakridge and SAC – Increase student achievement, diver deeper into curriculum, improve academic strategies for all students, and increase community engagement.

Mrs. Davis provided a recap of the May SAC meeting minutes and reviewed the information shared during the previous meeting. During the review, one error was identified regarding BPK instead of "VPK". The May meeting minutes were amended to reflect the necessary correction. Upon completion and approval of the SAC composition, Ms. Davis opened the floor for approval of the amended May SAC meeting minutes. Ms. Vreeland made a motion to approve the amended minutes, and Ms. Sandra White seconded the motion.

Mrs. Davis then reviewed the purpose and structure of the School Advisory Council, including the SAC bylaws and articles that govern the council and its operations. Members present participated in the voting process for the SAC composition. All SAC composition positions were voted upon and filled, ensuring representation of the Oakridge Elementary School body and its stakeholders.

Mrs. Davis also provided a financial update and reviewed the current balances of the school's accountability funds and School Recognition Fund. Members were informed of the available balances and the importance of utilizing these funds to support schoolwide priorities, student achievement, and student success.

Old Business:

1. Accountability Funds
    - Accountability Fund - $5,069.30
    - School Recognition $9,452.00

New Business: Following the school data presentation, Ms. Pinder reviewed the various schoolwide initiatives and student incentives currently in place. She shared that throughout the school year, students are recognized and celebrated for meeting academic, individual, and grade-level goals, including progress through schoolwide initiatives such as phonics, I-Ready, attendance, and performance on school, district, and statewide assessments. Ms. Pinder also discussed expanding school-based incentive activities and celebrations by purchasing games, activities, and other reusable resources that can be used throughout the school year, rather than relying solely on outside vendors, such as game trucks, for major assessment

celebrations. These resources would allow the school to provide ongoing recognition and celebrations for students as they meet their established goals. Ms. Pinder requested approval to allocate $5,000 from the School Recognition Fund to support student incentives and celebrations. Ms. Maria made the motion to approve the $5,000 allocation, and Ms. Salazar seconded the motion. The motion was approved.

Reports:

Principal: Ms. Pinder welcomed families and provided a school data update. She reviewed the school's current B rating, discussed the school's goals for the 2026-2027 school year, and shared a comparison of PM1 ELA and Math data in relation to the performance goals needed for Oakridge Elementary School to achieve an A rating. Ms. Pinder also provided a staffing update and discussed current vacancies. She shared that the school had been approved for a kindergarten growth position, that the position had been posted, and that interviews were underway. She also provided an update regarding the vacant META paraprofessional/ESP position.

Title 1: Ms. Salazar reviewed the Annual Title 1 Updates.

AI Liaison: Ms. Turman, the school's AI representative, presented a PowerPoint presentation highlighting artificial intelligence and the various AI platforms currently being utilized. She reviewed how AI tools can be tailored to meet specific needs and shared examples of the many ways AI can be used to support productivity, planning, creativity, and other school-related tasks.

Open Agenda: No questions or Topics were presented.

Next Meeting Date and Time: October 29th, 2026 at 8 a.m.

Meeting Adjournment:
Motion: Mrs. Davis made a motion to adjourn the meeting at 6:05 p.m.
