Welcome & Introductions

Dr. Hassad, SAC chairperson, called the meeting to order at 7:55 am. Committee members introduced themselves.

### **Principal Updates:**

**School Accountability Funds:** There is a balance of \$3,096. We have not yet decided what the money will be used for.

### **School Environment Safety Incident Reporting**

(To access the School Environmental Safety Incident Reporting (SESIR), please visit <https://www.browardschools.com/Page/65451> **RATIONALE:** Pursuant to F.S. 1002.20, parents of public-school students have a right to access school safety and discipline incidents as reported to the state s.1006.07(9).

SIP Location: The school improvement Plan is located on our school's website [Browardschools.com/Olsen](https://www.browardschools.com/Olsen).

### **Monitoring District's School Improvement Plan.**

Dr. Hassad explained to parents that every time we have SAC meetings we have to review the SIP. The curriculum updates shared by coaches and principal are part of SIP monitoring. Principal Giancarli discussed PM 1 data and discussed where we are up to this point.

Dress code: For Olsen to implement a dress code, 66/23 of the votes received have to be in favor of a dress code. During the 24-25 school year, we did not have the required number of votes. We will conduct another survey for the 25-26 school year.
