Meeting Minutes
Tuesday, August 25, 2026

I. Call to order: Dr, Hassad, SAC Chair, called the meeting to order @ 5:40 PM.

II. Welcome and Introductions: Every attendee present introduced themselves.

III. Dr. Hassad asked for approval of minutes for May 2026. Ms. Babok made a motion to approve the minutes; seconded by Ms. Santos. Minutes were unanimously approved.

IV. **Principal's Report**

Mr. Giancarli reported that we are now a uniform school and that most of the students are adhering to the dress code. She has purchased additional uniforms for students who come without uniforms or for students who may not afford to buy uniforms. She reiterated uniform colors and the importance of student ID.

She then explained the school's grades and the different components. Olsen went up 65 points last school year and had all the points for a B grade in June. Due to the inclusion of homebound students in the calculation of grades, Olsen dropped from 513 to 506 points-missing the B by 0.8%. She was not aware that these students were going to be included in the calculation.

The grading scale has changed. To earn a B next school year, Olsen must earn 540 points; to earn an A, Olsen must earn 585 points. She is confident that this is possible.

School enrollment: 508 students, 12 less than what was predicted. 8th Graders=185, 7th graders =177, and 6th grade =146 students. Olsen has lost one Science teacher who has moved on to an administrative position at a charter school.

Olsen Middle has two Magnet Academies this school year, instead of 5. This year the school has introduced high-value pathways including engineering and marine biology.

Accountability Funds balance that was rolled over from last school year is $203.16 . Funds for this school year are not available as yet.
