Call to Order

Ms. Ellis called the meeting to order at 5:04 p.m. A second grade student led the Pledge of Allegiance. No new agenda items were announced.

School Grades Presentation

Attendees watched a district video about Florida elementary school grades. It explained achievement and learning gains, FAST progress monitoring three times a year, the use of PM3 results in school grades, the 95% testing requirement, and the higher state grading thresholds for 2026–27. Families were directed to their children's reports in the family portal.

Ms. Lawrence said the district had not provided the video in the requested languages; the school would send information home.

Principal Report

Ms. Lawrence recognized faculty, staff, and students for their work. She reported that the school rose from 49% to 59% of school grade points and earned a B. She reviewed gains in reading, mathematics, and science. The school aims to earn an A this year, with particular attention to small group instruction.

Families were encouraged to work with teachers and contact a teacher or administration with questions. A school banner celebrating the grade was mentioned.

The amount of SAC funds based on enrollment was not yet available. Ms. Lawrence said it would be shared at the next meeting so the council could discuss spending. She reported no serious campus incidents or crimes for the state reporting item.

In response to the question, Ms. Lawrence said families can get help with online forms or payments at the school office and should bring an email address.

Membership and Elections

The council discussed required parent, staff, and community representation. Members were told that nominees must accept and the council must vote. A gifted parent representative was described as unnecessary because the school did not meet the stated student threshold.

Nominees accepted positions during the meeting. A motion to approve the slate was seconded by Ms. Augustine. Members voted aye; no opposition was heard. The slate was approved. The full official roster and several role assignments require verification against the sign in or election record.

Bylaws and Meeting Schedule

The council reviewed bylaws concerning membership, annual elections, and terms of service. A motion was made to hold meetings at 5:00 p.m. on the fourth Wednesday of each month. The recording does not clearly capture a second or a separate vote on this motion.

Title I and Adjournment

The Title I family engagement plan was mentioned, but a full update at next meeting. The meeting adjourned at 6:02 p.m.
