SAF Minutes - October 29, 2025

Call to Order:

A meeting of the Sunland Park Academy's School Advisory Forum and School Advisory Council was held on Wednesday, October 29, 2025. Ms. Robinson completed role call and called the SAF meeting to order at 8:46 a.m.

SAF Updates: Ms. Max (Introduced by Ms. Robinson)

- Schools will not be receiving their full money, schools that have rollovers, not sure yet how much will be given back
- Lunch forms are still available to complete
- No more Hazel Health, it has merged with another company
- Self-contained classrooms, classroom for students with certain disabilities, the parents are NOT filling out the forms so no cameras will be placed in the classrooms
- No D schools in the Central area, 84% of the schools are A or B; some other areas have D's or C's
- They are coming up with an AI Platform for high school parents so they can be informed of what was discussed in meetings and know what's happening because parents are complaining that they are not being informed by the schools, this is mostly for high schools
- There are not a lot of certified teachers in some schools, this is a parent concern because they believe their children are not receiving the full learning experience with an uncertified teacher next meeting this discussion will continue
- Attendance is needed to help keep our school funding, so we are not added to the list of 34 schools

Adjourned SAF @ 8:53am
