

Stirling Elementary School's mission is to academically and socially prepare all students by promoting intensive academic and behavioral programs in a changing, diverse society. We will strive to meet these challenges through data-driven intervention programs, improving academic areas in all subgroups, prioritizing school safety, and increasing our commitment to parental and community involvement.

Join us on the following dates in the Media Center for SAC beginning at 2:15 PM.
SAF meetings will follow beginning at 2:30 PM.
