SAC Minutes - 01/27/2026

- 1. Call to order: Mrs. Braynen called to order at 3:15 p.m.**
- 2. Attendance:** Mrs. Owens, Mrs. Braynen, Mrs. Winfree, Mrs. Delucia, Ms. D. Johnson, Ms. Frazier, Mrs. Colon, Ms. Macon, Mr. Campbell, Ms. Woods, Mrs. R. Jones, Ms. N. Jones
- 3. Approval or correction of November 19, 2025, minutes:** motion to approve by Mrs. Delucia and seconded by Mrs. Colon
- 4. Review and Discussion of Survey Results (H3)**
 - a. Mrs. Braynen shared that unfortunately at this time we are NOT at our required 10% of parental response. We have 53 responses currently, so we only need a few more responses to meet the requirements. Mrs. Colon asked what, if anything, we did differently to cause such a low turnout. Mrs. Braynen said that this is the first time that we relied solely on electronic responses, except for a few classes including VPK, and some primary. She said that she will make more paper copies for certain classes to meet the requirements. Next year, we will rely on paper copies as they were successful in the past years. This has taught us a lot about our demographics. We will work on getting more responses and revisit next month.
- 5. Review and Development of Parent and Family Engagement Plan (E4)**
 - a. Mrs. Braynen shared copies of this year's Parent and Family Engagement Plan with everyone and asked them to read over it.
 - b. Mrs. Braynen then introduced the PFEP for the 2026-2027 school year.
 - c. The floor was open to parents and other stakeholders to have the opportunity to provide input on the plan and give suggestions for activities that they would like to see happen.
 - d. No suggestions were made.
- 6. Review and Develop School Improvement Plan (B5)**
 - a. Mrs. D. Johnson shared MOY i-Ready data with stakeholders and her plan for using this data to help teachers plan forward, being intentional with driving instruction.
 - b. Mrs. Braynen shared copies of this year's School Improvement Plan with everyone and asked them to read over it.
 - c. Mrs. Braynen then introduced the SIP for the 2026-2027 school year.
 - d. The floor was open to parents and other stakeholders to have the opportunity to provide input on the plan and give suggestions or recommendations that they would like to see in the plan.
 - e. Mrs. Colon suggested adding uFli, an Intervention for our struggling readers to the plan.
 - f. Mrs. Perez suggested adding TouchMath, a wonderful program that is not only beneficial to our ASD students, but our Gen Ed students as well.

- a. Mrs. Owens gave parents the amount the school currently has allocated for parental involvement and what those funds could be used for.
- b. Mrs. Owens opened the floor for parents to discuss how to spend funds for the current school year, and to give any input that they may have.
- c. Parents agreed to continue using the funds as they have been used.

- d. The floor was open to parents and other stakeholders to have the opportunity to provide input on the compact and give recommendations for the upcoming year
- e. No suggestions were made. Parents agreed that it is fine as is.
- f. The upcoming School-Parent Compact was developed.
