SAC Minutes

- Welcome-Meeting was started at 2:21. Ms. Zinn motioned, and Mr. Horton seconded the motion.
- Norms
- Minutes Approval-November-Mr. Horton motioned, and Ms. Zinn seconded the motion.
- Accountability Funds: \$5,946.90-Ms. Zinn asked about ELO camp and the allocation of funds from SAC accountability funds. ELO Camp is running through a different allocation of money. The SAC accountability funds will roll over to next year if not used for the 24-25 school year.
- Principal Update-FAST PM2 Student Data-There is a huge push for iReady to be completed. McNab did well on FAST PM2, but there is still a lot of work to do before FAST PM3. Success on FAST has correlated with iReady usage this year. Please have students work hard on iReady to prepare for PM3. Our Middle of the Year Science scores came out good. Progress Learning and the 5E model will be pushed to help students reach proficiency on future testing.
- SESIR-School Environmental Safety
Incident Reporting: 0
- SIP Goals/School Improvement Plan-Review of the current school year's School Improvement Plan/Addendum. No input provided by teacher, parent, and community.

- Title One Updates-Please participate in the Title One Parent Survey. Text "survey 0841" to 954-388-8846. It is anonymous and only takes about 5 minutes to complete. The class with the most surveys completed wins a popsicle party.
- Equity-January consists of Muslim American Day, Martin Luther King Day, Holocaust Remembrance (grades 3-4-5 study Holocaust), and Chinese New Year (2025 is the year of the snake.)
- Media Collection Plan Presentation-Ms. Garcia-this will be uploaded to our school website.
- Open Agenda-We recently participated in a multiplication challenge for third, fourth, and fifth grade students. It was a huge success. We will have a challenge for primary students on March 18th. This will consist of addition and subtraction math facts. Barnes and Noble night took place in December. For the next Literacy Night, it is recommended to have something presented or performed to draw attention to the family night. Pro-Am has a summer program and the enrollment will end January 31st and then summer is open. Publix hosted our annual Math and International Family Night. It was a huge success. We had almost 100 students attend. Our best attendance yet. Students were given a math worksheet according to their grade, and were able to work real world problems with their parents throughout Publix.
- The next SAC Meeting will be held on Tuesday, February 25th at 2:20 in the Media Center.
- The meeting adjourned at 2:57. Ms. Zinn motioned, and Mr. Horton seconded the motion.
