School Advisory Forum-Minutes

- Call to Order
  - The meeting was called to order at 2:52. Ms. Greger motioned and Mrs. Palacio seconded the motion.

- Approval of Minutes
  - Ms. Zinn motioned, Ms. Santiago seconded the motion.
- Vote on School Advisory Forum Bylaws
  - The School Advisory Forum Bylaws were passed unanimously.

- North Area Update
  - Meeting was held on May 16, 2026
  - **Bus Cameras:**
    The topic of school bus cameras was discussed. The cameras are tested once a year to ensure they are functioning properly. It was reported that approximately 8,000 violations were recorded when vehicles failed to stop while a school bus was stopped.
  - Drivers who are caught illegally passing a stopped school bus may receive a $225 civil penalty.
  - The cameras record the violations, and the footage is reviewed to determine whether the incident is considered a ticketable offense. If a violation is confirmed, the citation is issued to the registered owner of the vehicle.
  - **Referendum:**
    The referendum was discussed, including how it supports teachers, school safety, and student services.
  - The referendum also helps fund school safety personnel and safety software, which provides all staff with wearable panic buttons for

immediate security response. In addition, the funding supports more than 224 mental health professionals who serve students and families.

- It was noted that SRO (School Resource Officer) funding is partially supported by the referendum. If the referendum is not renewed, Broward County Public Schools would lose approximately $358 million annually that currently supports these positions and compensation supplements.
- **Safety**
- Questions were raised regarding the number of hours the School Resource Officer (SRO) is on campus. It was expressed that having the SRO on campus for additional hours may be beneficial. The traffic situation during student arrival was also discussed, as the area can become very chaotic and congested during arrival.
- **Election Day:**
  Concerns were expressed about students being on campus during Election Day. Parents stated that, moving forward, they would prefer that students not be on campus on Election Day. Ms. McCartha explained that the decision regarding the school schedule on Election Day was made at the district level.
